“Les reflets que nous renvoie la surface des eaux éclairées par un soleil de printemps ne nous trompent pas vraiment” –
G. Bachelard « L'eau et les rêves »

An aerial photograph of a large, multi-story apartment building with a complex roof featuring several large, circular, ribbed sections and a central glass-enclosed skylight. The building is surrounded by lush green trees and a well-maintained lawn. A paved path winds through the greenery. In the foreground, a parking lot contains several vehicles, including red cars and a white van. The overall scene is bright and clear, suggesting a sunny day.
